Sub: E<sup>3</sup> (Encourage, Evaluate, Enhance) - Mathematics Handbooks to  
Primary classes - issue of booklets

\*\*\*\*\*

The UT of Puducherry has introduced CBSE syllabus from the academic year 2014-15. Supporting materials such as detailed Monthly syllabus, Activity Workbooks were prepared and issued to all the schools having Primary sections to facilitate teaching learning activities effectively in the classroom since the introduction of CBSE syllabus. In the same array E<sup>3</sup>, (Encourage, Evaluate, Enhance) a Mathematics Handbook has been prepared for each class. This Handbook is a compilation of various types of questions based on the concept of Encouraging constructive knowledge, Evaluating students critical and analytical ability and Enhancing their understanding towards Mathematics.

A set of 5 Handbooks are issued to schools for the standard I to V. The Head teachers are requested to issue these Handbooks as a teacher's copy, to the teachers who are handling Mathematics in primary classes and ensure that it will be effectively utilized in the classroom to create more interest towards learning of Mathematics at the early stage.
