CIRCULAR

8 SEP 2017

Sub : Training of untrained teachers through NIOS – Reg.

As per section 23 (2) of RTE Act, 2009, all inservice untrained teachers (Govt. and Private Schools) teaching at primary level shall acquire the minimum qualifications required under the RTE Act, 2009 before 31.03.2019. To achieve this goal, the MHRD, GOI has proposed to conduct 2 years D.El.Ed course through ODL programme of **National Institute of Open Schooling** (NIOS). The registration for D.El.Ed course will close on 15.09.2017.

2. Similarly, those who are graduates with B.Ed. but teaching at primary level without D.T.Ed shall also undergo a 6 months bridge course through NIOS. Registration for the bridge course will be open on NIOS portal in October 2017.

3. All the inservice Primary School Teachers who have not possessed D.T.Ed shall register their name for appropriate course on NIOS portal before 15.09.2017 without fail as it is the last chance to get themselves qualified/trained. Failure to acquire the required qualification before 31.03.2019 will make their continuance in service untenable.

4. The contents of this circular may be brought to the notice of all PSTs without fail for strict compliance.
