CIRCULAR

In pursuance of the Government of India's focus on quality of Education, Learning Outcomes, covering all subjects taught at the elementary level, have already been finalized by the Ministry of Human Resource Development (MHRD) in collaboration with NCERT which have been translated and shared. These will be used by teachers/ parents and other stakeholders to ensure learning of children at all stages of Elementary Education. These Learning Outcomes have been developed in three versions:

- i) **Learning Outcomes Document/ Handbook for Teachers:** A detailed version for teachers, teacher educators, school administrators which include Curricular Expectations at each stage, Pedagogical Processes and Learning Outcomes for all classes 1-8 in all subject areas;
- ii) **Posters on Learning Outcomes for Schools:** An abridged version in the form of posters to be displayed in school premises for parents and other community members; and
- iii) **Leaflets/ brochures for Parents:** An abridged version in the form of Leaflets/ brochures to be issued to Parents/ other stakeholders to understand the progression of their child's learning.

It is, therefore, important to implement these Learning Outcomes at various levels of Elementary Schooling. Hence the Head of Schools are requested to collect the above said Learning Outcomes Materials (Handbooks, Posters and Leaflets) from their respective Inspecting Officers. In addition, the soft copies of the Learning Outcomes Materials may be downloaded from the DSE website (<http://schooledn.puducherry.gov.in/>) for ready reference. In this regard, a compliance report from the Inspecting Officers obtained from the Head of Schools may be furnished to the undersigned to email ssapondy@ymail.com on or before 26.02.2018.
